

## THE ADMINISTRATION BOARD

This is the active authority of the Association, which makes the major decisions of management in accordance with the guidelines of the General Assembly.

The Administration Board is elected by the General Assembly in its midst. Its members are elected for 3 years renewable.

The Board meets whenever necessary and at least twice a year.

**The Administration Board of AGLAE currently comprises the following Administrators:**

| First name NAME       | Laboratory                                                      | Position               |
|-----------------------|-----------------------------------------------------------------|------------------------|
